Take Advantage of a Discounted TRICARE Supplement Through AeroVironment

If you or your family are enrolled in **TRICARE Prime**, **US Family Health Plan**, **TRICARE Select**, or **TRICARE Retired Reserve**, you may be eligible to enroll in a **TRICARE Supplement** at a discounted group rate through AeroVironment.

The TRICARE Supplement is designed to work **specifically with your TRICARE coverage**, helping reduce many of the out-of-pocket costs that TRICARE may leave behind. Because it is built to coordinate with TRICARE, it typically provides a better fit—and often a lower overall cost—than enrolling in the company's medical plan solely to supplement your TRICARE benefits.

Even if you have **opted out of AeroVironment's medical plan** because you are covered under your spouse's TRICARE plan, you may still be eligible to enroll in the TRICARE Supplement offered through the company.

How the TRICARE Supplement Fits Your Needs

THE OVER-INSURED PATH
Major Medical + TRICARE

1. **Major medical pays first**
   And you pay its premium every month.
2. **TRICARE pays second**
   As the secondary payer, TRICARE often leaves a balance — especially for a spouse or dependent child.
3. **You can still owe out-of-pocket**
   After paying premiums on two separate plans.

More premium. Not less out-of-pocket.

THE COMPLETE PATH
TRICARE + TRICARE Supplement

1. **TRICARE pays first**
   Your earned military health benefit, leaving the standard cost-shares and deductibles.
2. **TRICARE Supplement pays second**
   Picks up the cost-shares, deductibles, and balances TRICARE leaves behind, once your supplement deductible is met.
3. **Minimal out-of-pocket — no second medical premium**
   One coordinated solution doing the whole job.

Complete coverage. No duplicate plan.
