*Available to employees and contractors of member companies. To qualify for \$500, open a new Tech CU checking account by 12/31/26 and, for six consecutive calendar months, (1) receive \$1,500 or more in direct deposits (excluding bank-to-bank transfers) in any account and (2) post at least 5 debit card transactions. The first direct deposit and first five debit card transactions must be posted within the first two calendar months after account opening. For example, if your opening date was 1/5/26, you would need to have received direct deposits of at least \$1,500 and posted 5 debit card transactions by 2/28/26. A \$500 credit will post to the checking account and be available for withdrawal on the first of the month following the last month of all requirements being fulfilled. If the checking account is closed less than 6 months after account opening, or the required minimum transactions are not completed, the \$500 account credit and any dividends will be forfeited. Must be 18 years or older. Offer valid only for members who are in good standing and who do not currently have a Tech CU checking account relationship. Offer not available on Health Savings Accounts or Business Accounts. Rates and terms subject to change without notice. Bonus is subject to IRS reporting and may be considered taxable income.

Subject to standard Tech CU loan closing requirements and conditions. Borrower(s) will pay third party fees such as appraisal, title, and escrow unless the loan terms state otherwise. Fees will be imposed for rate buy-downs or discount points. 0.125% Mortgage Rate Discount applies to posted fixed rate, fixed term, ARM 1st position mortgage products. Borrower must qualify at funding; rate discount will not be applied after loan has funded. Does not apply to investment property or commercial loans.
